We are delighted to share with you the latest production from Kasselbacher Bakery. It's a line of luxurious gourmet-quality flat breads that are baked with fresh Italian ingredients and are made to impress. But it's not just about looks, it's all about the taste and the fact that these dishes are accompanied by exquisite cheese or a cold beer. All this is the vision that set us on our way: making bread that looks and tastes superb. Since the very beginning we have been pursuing a culinary-quality bread and, thanks to our project, we are now enjoying success and recognition all over Europe, which is a completely new experience for us. The two words that best describe the project are simplicity and quality. This, however, requires a technology that is not only applied to the final product, but must be applied to the whole production process. The bakery's first priority is always quality, and therefore to improve the quality of the doughs that go into the baking process, we needed to explore the risks. This means c6a93da74d
