February 4, 2020 - The good news is that after so many complaints, they released a gameplay update patch that unlocked the 30fps cap throughout the game. The developers have also created a new theme called "New Era" to mark the launch of the game. In it, they talked about plans and future updates: In the coming weeks, we will continue to improve performance and, if it helps, we will update a couple of modes. On this, perhaps, we will end. We will continue to improve the game and announce upcoming updates on our social networks and on this site. We'd love to hear feedback from players about the game and its update.
